JANSER GROUP — Who we are

We are a cross-industry recruiting and consulting firm.

Our **key aspects** of activity are:

- Recruitment and demand-oriented selection of **skilled workers and trainees** in various countries of origin
- Accompanying **qualified and suitable specialists and trainees** for employers in Germany
- **Temporary employment** of workers for employers in Germany

We tackle the shortage of skilled workers in companies accurately and develop individual solutions for staff deployment, business models as well as market entry strategies in Central Asian and Eastern European markets.

Mission & Core Values — What defines us

Our commitment is to make a valuable contribution to **securing skilled labor** in Europe and beyond. This is why our mission is to recruit skilled workers and trainees for the European labor market in order to **effectively counteract the shortage of skilled workers**.

Our core values are competence, authenticity and reliability.

Unique Selling Proposition — Why us

- Presence in **12** different countries (as of April 2024)
- **Partnerships with educational organizations** in Europe and abroad (German as a foreign language, training according to European standards, vocational training)
- **All from one source:** We offer our active support from the initial inquiry until the applicant starts work or training

Subsidiaries Worldwide — Where we are

- Janser Consult GmbH – Germany (HQ)
- Janser Consult – Ukraine
- Janser Consult – Belarus
- Janser Education Academy – Kyrgyzstan
- Janser HR Academy – Kazakhstan
- Janser HR Academy – Tajikistan
- Janser HR Academy – Uzbekistan

As an experienced and globally networked team, we offer tailor-made solutions that meet the needs of our customers thanks to a solution-oriented service. We know where to turn and how to find the best possible approach to achieve the required results.

Get in touch today!

Your Advantages — What you benefit from

- + We recruit qualified candidates with German language skills and professional expertise **in accordance with the employer's requirements**
- + We support candidates throughout the entire migration and integration process (German language courses, visa applications, finding accommodation, etc.) in Germany and **accompany them from the beginning until they start work**
- + We recruit trainees **directly from educational institutions**

You benefit from all our networks and have access to specialists and trainees according to your personal requirements.
